

## Taking Stock: Stewardship Formation and Communication

“Jesus’ call is urgent. He does not tell people to follow him at some time in the future but here and now — at *this* moment, in *these* circumstances. There can be no delay.” (SDR, 14)

Forming people as disciples and stewards requires on-going communication, using every means possible to lead people to on-going reflection and commitment. Take stock of your current and possible future means of stewardship formation and communication. What is already in place? How might you build on this? What is needed?
