

# Taking Stock

## Welcome and Engage Everyone

Through participation in the parish, we grow in communion with Christ and each other and are formed as people of mission. This is why genuine welcome is so important! Take stock of your current and possible means of formation and communication. What is already in place? What is needed?

Element	Current	Possible Future (include notes about who might be involved in future developments)
Welcome at Mass		
Welcome/hospitality at the parish office		
Moments of transition in life		
Special sacramental celebrations		
Parish socials		
New parishioners		
Deep belonging
